Github github.com/lovelytiger87

I build responsive websites with **HTML5, CSS3, JQuery and Js** and I love what I do.

I'm passionate about learning new things, solving problems, goal-driven and detail-oriented.

Self-taught PE12, photography, and I'm also a dreamer, seeking for beauty and perfection in life.

SKILLS

HTML5 | CSS3 | JS.

Technologies I use

Bootstrap - jQuery - RWD

Node.js - Angular

MY WORKS

My portfolio can be viewed at www.thaocode.com

My code samples are on Github.
